

Hi everyone. Welcome back to Term 2. Here are a few quick notices

Kapahaka

Kapahaka in Term 2 will be at the Sheffield Hall, so we do not require transport. We have structured this a little differently for the remainder of the term. We will have one group that is a performance group. Unfortunately because of limitations of number across the schools this is offered to senior students. This group will be attending every fortnight starting tomorrow.

Our other group meets together on the alternating fortnight and consists of the juniors and any seniors new to kapahaka. This group will start next Friday 11th May.

MTB/BMX Track

Your children are invited to bring along their bmx or mountain bikes any day of the week. It is important that we get outside for fresh air and fitness during the winter terms. A great way to release some energy is to cycle around the tracks. Even if you can arrange just one day per week drop off and pick up of bikes, it would be wonderful! Sorry we are unable to store bikes at school. Helmets are compulsory. Please remember that the school grounds welcome community members to enjoy the playground facilities after hours.

Nick Pratt

Principal - Tumuaki

Does anyone have any old inkjet printers they don't want? Please phone Rachael Koppe 021 0277 3271

SchoolDocs

We encourage all families to familiarise themselves with our 'SchoolDocs' site. This site highlights all of Sheffield School's Policies and Procedures.
